ANODIZED ALUMINUM

We use a special aluminum alloy to create our decorative aluminum accents; this special alloy can be chemically brightened. Our aluminum finishes are anodized and feature bright chromes, soft satins and deep matte finishes. Anodizing is considered the best method of finishing in order to achieve a true metallic look. Anodized finishes are extremely durable and will not flake, peel or fade.

If exact color is critical to your project, please request color samples. Sample Kits available on our website.

CR: Chrome

WB: Warm Bronze

SB: Satin Brass

PB: Polished Brass

WR: Flat Black

BA: Brushed Aluminum

SS: Satin Stainless

TM: Titanium

SOLID BRASS

Cast brass, made of a copper/zinc alloy, is known for its material integrity, smooth surface finish, durability, and strength.

Cast brass Feet & Slipper Cups will outlast normal wear and will maintain a bright finish for years to come.

AB: Antique Brass

WR: Flat Black

PB: Polished Brass

CR: Chrome

SB: Satin Brass

WOOD SPECIES

We source only the finest FAS (First and Seconds) hardwoods for our products. The majority of our products are made from laminated blocks with more than one glue line. We strive to provide the best possible color match between staves, but variations may occur. Variations in color and grain pattern are natural characteristics of wood and are not considered defects.

AL: Alder

CH: Cherry

MDF: Medium-Density Fiberboard

HM: Hard Maple

AK: Red Oak

WL: Walnut

WK: White Oak

PT: Paint Grade

QW: Quarter Sawn White Oak

QS: Quarter Sawn Red Oak

HK: Hickory

ELECTROPLATED WIRE GRILLE FINISHES

Our electroplated Decorative Grilles are hand woven & crimped from superior steel wire. The process of electroplating deposits metal finishes onto the steel through electricity creating both bright and antique finishes. Finishes can vary from run to run.

Sample Kits available on our website.

AB: Antique Brass

SB: Satin Brass

AC: Antique Copper

AP: Antique Pewter

SN: Polished Satin Nickel

WR: Flat Black

SS: Stainless Steel Look

SPECIAL WOOD CUTS & SECONDARY SERVICES

We are pleased to offer several options to help you in your design process. Secondary services such as splitting in half, quarter notching, electrical outlet notching, and hanger bolt installation are available on the majority of our columns, legs and bun feet. Additional charges apply.

QUARTER CUT

01QUARTERNOTCH

Quarter notching creates a single quartered piece and a single 3/4 piece. Both pieces are included in purchase.

SPLIT

01SPLITCOLUMN

Split column in half. 1/8" of thickness may be lost due to saw kerf. Both halves are included in purchase.

ANGLE CUT

01ANGLECUT

Product is cut at an angle from corner to corner, full length only. Both pieces are included in purchase.

STOP NOTCH

01STOPNOTCH

Stop notch a column. Let us know how far down you would like notched.

SPLIT BUN FOOT

01SPLITFEET

Split bun foot in half. Both pieces are included in purchase.

HANGER BOLT

01HANGERBOLT

5/16-18 hanger bolt installed in one end. Hanger bolt installed to protrude 1/2".

BOX ROUTE

01BXROUTE

Add an electrical box to your column.

ELECTRICAL BORE

01ELECBORE

A 1/2" hole the entire length of the column.

MOULDING & TAMBOUR TRIM

We will cut your 96" moulding to 92" to reduce shipping costs.

Scan for order forms.
<https://bit.ly/SecondaryOpsOrderForms>

*Please note - not all items can be cut in all the formats above, nor can all columns receive an Electrical Box Notch. Please review the product on our website to determine which operations are available or contact customer service at 1-800-328-5858 or orders@brownwoodinc.com for more information.

dod.brownwoodinc.com

All custom cut products are non-returnable.

Our New Website Has Arrived

A More Intuitive Platform to Discover Designs of Distinction

We've reimagined our digital experience to better support how designers, builders, and makers access product information and specification resources for decorative materials and components throughout a project's life cycle. Our new website reflects our refreshed brand and a more intuitive way to work with Designs of Distinction®.

Built for Product Selection and Specification

Designed to support product specification and project execution, the site provides access to technical details, finish options, installation instructions, specification sheets, brochures, and design software catalogs. Product categories on the website now mirror the 2026 Product Catalog—eliminating guesswork and making it easier to find, compare, and specify the right components.

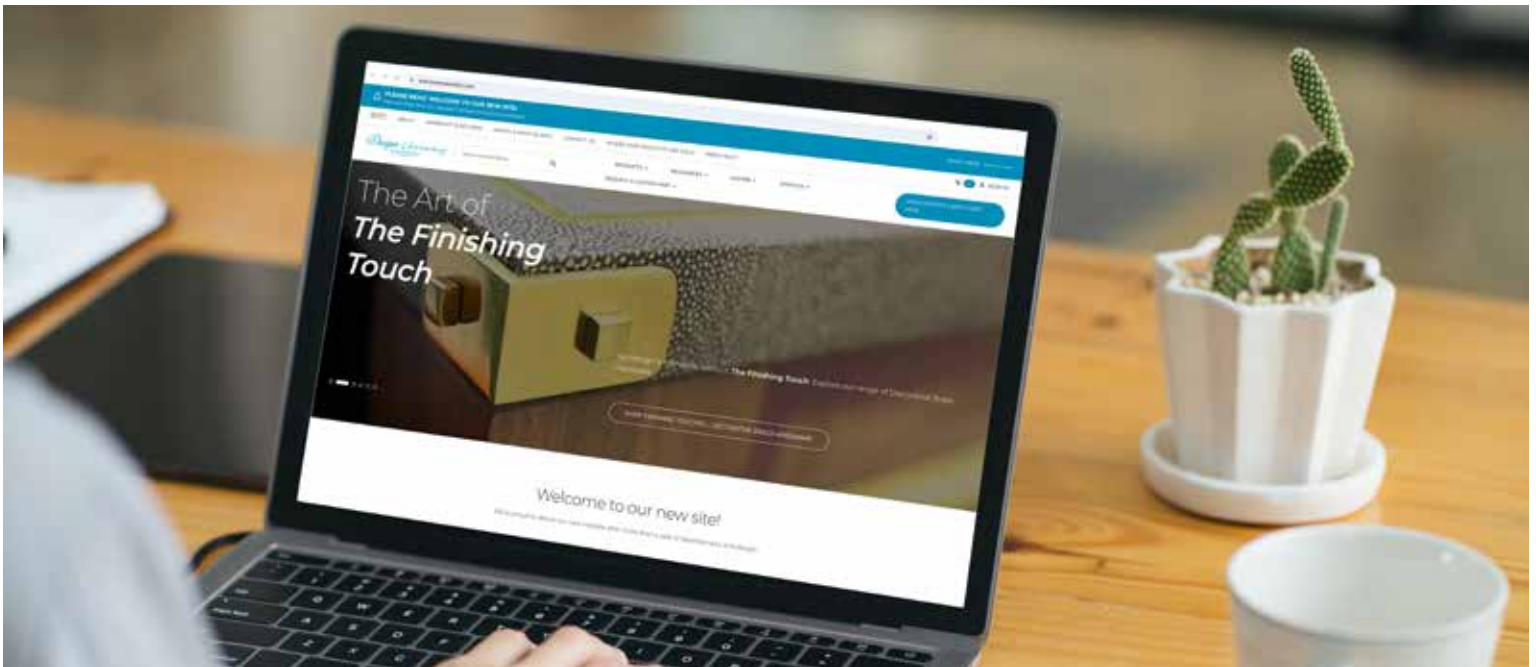

Highlights:

- In-depth product pages with specifications, dimensions, and finish options
- Downloadable specification sheets, installation instructions, and technical resources
- Access to brochures, flyers, and sales tools for project and client presentations
- Design software catalogs compatible with industry-standard platforms
- Organized tools to support repeat ordering and ongoing project management
- Optimized for desktop and mobile access

Visit Us Online: dod.brownwoodinc.com

MATERIALS: FLEXIBLE TAMBOUR & RIGID BEADED PANELS

Image: Flexible Beaded Tambour

FLEXIBLE TAMBOUR PANELS

Made in the USA. Our thin material backer allows Flexible Panels to be used as a wrap as well as flat applications. Flexible beaded panels consist of individual staves, glued to a flexible canvas or paper backer. Suitable for residential and commercial applications. Unfinished American Hardwoods can be easily stained or painted in colors and finishes of your choice.

For **onlay** applications - such as walls, hoods, or cabinet wraps. 48" and 96" lengths in stock. Custom sizes available.

Stock finishes in: Red Oak (AK), Hard Maple (HM), Paint Grade Poplar (PT), Walnut (WL) & White Oak (WK).
To order, refer to the style numbers listed below.

MATERIALS

NEW! 3/4" T x 96" L x 48" W CROSS-GRAIN VENEER BACKED BEADED PANEL

Full Size Rigid Panels combine tambour texture with engineered stability in a 3/4" panel designed for cabinetry, millwork, and architectural applications.

Balanced & Stable Construction - Cross-grain hardwood veneer backer and 1/2" plywood core minimize warping, cupping, and seasonal movement while maintaining strength without excess weight.

Beaded Face with Visual Texture - Tambour detailing adds depth and dimension, complementing design styles from traditional to contemporary.

Standard 3/4" Thickness - Integrates seamlessly into standard cabinetry and millwork with no special hardware or joinery adjustments.

Finished Back for Exposed Applications - Veneer backer provides a clean, finished appearance for islands, open shelving, and freestanding installations.

Efficient, Cost-Effective Design - Combines the beauty of solid wood with an engineered core for responsible material use and premium value.

RATTAN WEBBING

Sold by the linear foot (LF), minimum order of 36" wide x 1 LF.

NEW! SYNTHETIC RATTAN WEBBING

Our new synthetic rattan webbing combines timeless woven design with modern durability. Manufactured from high-quality polyethylene (PE) granules, this material offers exceptional strength while remaining practically maintenance-free. Unlike natural rattan, it resists fading, warping, or weakening from temperature and humidity changes, ensuring long-lasting structure and performance. 36"W rolls. Available in Natural (NT) or Black (WR).

Style #3201WR

NATURAL RATTAN WEBBING

Handwoven from rattan cane, this material offers a lightweight yet durable construction. Over time, it develops a rich patina, adding to its authenticity and charm. Because it is a natural fiber, rattan is responsive to its environment. Gradually, it may stretch, lose some of its original tension, or change shape, particularly in areas exposed to heat, humidity, or fluctuating moisture levels. 36"W rolls.

KITCHEN ISLAND EXTENSION BASES

Expand both the function and style of your kitchen with our new Kitchen Island Extension Bases. Available in three versatile shapes, these extensions are designed to complement a variety of design styles. Each piece is built with solid hardwood ends for lasting strength and MDF sides for stability, ensuring durability. Easily customizable with your choice of veneer or beaded panels, these extensions allow you to create a seamless look that enhances cabinetry while adding practical workspace or seating.

BASE SHAPE KITS

Kits Include: (1) Base shape, (2) Hardwood Mounting Plates or End Plugs, *(2) pcs Tambour, and (1) Cutting Template.
*See price list/website for available tambour options.

HARDWOOD ISLAND PANELS WITH REMOVABLE CENTERS

Our new hardwood island end panels are designed to bring both flexibility and craftsmanship to kitchen and furniture design. Each panel features a removable center section that allows for easier finishing and unlimited customization. The center panels can be replaced with a variety of materials—including beaded wood, leather, resin, or other decorative inserts—making it simple to tailor the look to match any style or design theme. Call for custom panel quotes.

ELECTRICAL BOX ROUTING

Let your kitchen island design speak for itself with an integrated electrical outlet.

We offer Electrical Box Routing and Electrical Boring to most columns greater than 3"W. Electrical Box Routing allows you to install electrical components directly into the column. For additional electrical wiring, we can bore a ½" hole through the entire length of the column.

AVAILABLE FOR MOST COLUMNS.
EMAIL FOR AVAILABILITY.

CUSTOM PANEL INSERTS

Image: Custom Decorative Hardwood Panel, and Beaded Tambour

NEW! CUSTOM DECORATIVE PANELS

CHOOSE YOUR MATERIAL. CHOOSE YOUR STYLE. CHOOSE YOUR PLACEMENT.

Bring your designs to life with customizable panels crafted to fit your exact vision. Whether you're designing cabinetry, furniture, or architectural accents, our panels offer limitless creative options.

Material Options (2 Panel Minimum)

- **1/8" Brass Sheets:** Luxe metallic finish for a bold, modern look.
- **1/4" MDF:** Smooth and versatile, ready to paint or finish.
- **1/4" MDF with Hardwood Veneer:** Adds natural beauty and warmth.

Customization Choices

- **Style:** Select from a variety of decorative patterns.
- **Pattern Count:** Choose how many repeats per panel.
- **Placement:** Position your design at the top, center, or bottom of the panel.

Crafting Methods

- **CNC Routed:** Clean precision with a 1/16" minimum radius.
- **Laser Cut:** Tighter, more intricate designs with darkened interior edges that create a subtle shadow effect.

Why Choose Our Panels?

- Fully customizable for your project needs.
- Available in multiple premium materials.
- Options for clean precision or artistic detailing.
- Designed for cabinetry, furniture, and architectural features.

Order form coming soon. Contact us for a quote.
Available raw or finished. Minimums and set-up fees may apply.
See Website for all material specifications.

NEW! CUSTOM METAL CABINET MULLIONS

Our Custom Mullion Program offers designers and architects unparalleled versatility for elegant custom designs. Using CNC and laser-cutting technology, each panel features customizable patterns for optimal ventilation, ideal for cabinetry, closets, mudrooms, and architectural wall accents.

Elevate Your Cabinetry with Style and Function

Our **custom metal mullions** bring sophistication and precision to cabinetry design. Perfect for high-end projects, these mullions combine elegance, functionality, and versatility.

Material & Finish Options

- **Stainless Steel:** Sleek, modern, and durable
- **Brass:** Warm, luxurious appeal
- **Finishes:** Plain, powder-coated, or clear-coated
- **Design Flexibility:** Ideal for intricate patterns and high-end design aesthetics
- Perfect for cabinetry requiring ventilation
- Delicate designs can be sandwiched between glass for a refined, custom look

Why Choose Our Metal Mullions?

- **Durable materials** suitable for long-lasting use
- Available in **multiple finishes** to match your design vision
- Perfect for creating **architectural detail** and **visual interest** in cabinetry
- Combines function with decorative appeal

Order form coming soon. Contact us for a quote.
See website for more detail.

GALLERY RAIL

Image: Double Contemporary Gallery Rail

GALLERY RAIL

Install Gallery Rail components to the tops of cabinets, furniture, shelving, spice racks, and more to create a curated look. We recommend spacing between posts across the front to be 10"– 12" apart. Manufactured from the finest quality cast brass, Gallery Rail components will not tarnish, rust, peel, or chip. Gallery Rail Sample Kits available on our website.

56.375" high,
15.375" deep

We offer **Built-to-Order Bistro Shelving** in multiple configurations and finishes. Wall-to-floor, ceiling-to-countertop, and wall-to-countertop, you decide your connection points*, number of shelves and more by designing your own Built-to-Order Bistro Shelving. For Traditional and Contemporary Bistro Shelving styles, you can define the depth of your shelves (Cantilever arms have a fixed depth for use with 10" deep shelves).

*We do not offer ceiling-to-ceiling connection points.

**Unlacquered brass (due to its raw nature) will oxidize, causing a patina film to form, giving the brass a greenish look.

PLEASE NOTE: Premium pricing applies for custom finishes.

WARRANTY INFORMATION

RETURNED GOODS POLICY

Request Timeline & Address

Returns must be requested **within 30 days** of receipt (delivery or will-call pickup). Please inspect products immediately upon receipt.

Returns must be sent to:

7040 N. Lawndale Ave., Lincolnwood, IL 60712 unless otherwise instructed by Brown Wood.

RETURN CATEGORIES

1. Customer-Responsible Returns

- 15% restocking fee (product cost only)
- Customer pays return shipping
- Initial shipping charges are non-refundable
- Restocking fee may be waived with replacement order at time of return
- Common reasons: incorrect item ordered, over-ordering, no longer needed, buyer's remorse.

2. Manufacturer-Responsible Returns

- No restocking fee
- Manufacturer pays return shipping
- Original shipping & handling costs refunded
- Requires photographic verification
- Common reasons: incorrect or defective items, inaccurate description, shipping errors.

Return Conditions (All Returns)

- Returns require prior approval and an RMA number. Contact us: orders@brownwoodinc.com
- Items must be eligible (see below)
- Returned within 14 days of RMA approval
- Product must arrive in same condition as reported at time of RMA approval
- Package must include RMA or invoice reference
- Refunds are issued within 5-7 business days of receipt.

RETURN ELIGIBILITY

Not returnable:

- Cut-to-size items (grille, mesh, rattan, resin, leather)
- 96" mouldings/tambour cut for shipping
- Custom-serviced parts (split, routed, notched, etc.)
- Altered, painted, sanded, installed, or otherwise modified items
- Products returned after 30 days
- Large-Order Agreement items
- Custom size/species/design items

Eligible (exceptions within 30 days):

- Manufacturer cut items with incorrect dimensions
- Incorrect spec, quality, or item shipped
- Custom items not matching quote specs

Note: Always inspect products before any modifications. Any alteration cancels return eligibility.

ITEMS DAMAGED/LOST IN SHIPPING

Responsibility for the shipment passes to the carrier once the item leaves our facility. However, we package products to the highest standards to avoid transit damage.

What You Should Do Upon Delivery:

- Note visible damage on delivery receipts or freight bills
- Photograph all package and product damage if visible
- Open and inspect all packages within 14 days of delivery
- Check for missing parts or damage regardless of packaging condition
- Move items to safe, temperature-controlled storage promptly

For questions or assistance:

888-528-1440

orders@brownwoodinc.com

WARRANTY INFORMATION

Brown Wood Products Company and its brand, Designs of Distinction®, provide a 1-year product warranty from the date of delivery to the original purchaser.

Coverage

Products will be free from defects in materials and workmanship under normal household use.

Not Covered

- Neglect, misuse, accidents, alterations, extreme conditions
- Exposure to water, humidity, or outdoor use
- Post-sale finishing
- Faulty installation or utilization
- Natural aging, wear, fading, color variations
- Improper cleaning or storage

COMPONENT-SPECIFIC NOTES

Unfinished Wood

- Seal ends promptly
- Cracking from improper storage not covered
- Clean only with dry cloth or compressed air

Pre-Finished Wood

- Finish fading is natural and not covered
- Avoid ammonia, alcohol, or abrasive cleaners

Brass Components

- **Unlacquered:** Patina and oxidation expected (not covered)
- **Lacquered:** Clean gently to preserve finish

Electroplated Products

Color variation may occur between runs. Seamless match not guaranteed.

Anodized Aluminum

- Resistant to rust, but must be dried after cleaning
- Extended exposure to moisture voids warranty

UHB Tape & Designer DripEdge™

- Apply to clean surfaces with pressure
- Do not use in unsupported vertical applications

Gallery Rail

For display use only. Not structurally rated.

Samples & Sample Kits

For viewing only. Size/appearance may differ from final product.

Sustainable Materials

Rattan, resin, leather, mesh are prone to aging. Natural wear not covered.

Assembly/Installation

- Must be installed by responsible and experienced individuals
- Improper use or alteration voids warranty

SAFETY INFORMATION

SAFETY & PROPOSITION 65 INFORMATION

Safety & Handling Notice

At **Designs of Distinction™ by Brown Wood, Inc.®**, we are committed to delivering high-quality components and materials. Our products are designed to meet reasonable safety standards when handled with care and proper preparation.

Whether you're assembling, installing, or finishing an item, always follow included instructions and use basic safety practices. Personal protective equipment (PPE)—such as gloves, goggles, dust masks, and hearing protection—should be used when cutting, drilling, sanding, or applying finishes.

Improper handling or failure to follow instructions may result in injury or product damage.

Wood Products

Most of our hardwood products (e.g., columns, corbels, mouldings, legs, tambour) are sold unfinished. These may include splinters or loose fibers. Activities like sanding, cutting, or finishing generate dust and debris—use PPE and proper ventilation.

Finished wood with clear-coat or other finishes should be treated the same, with added care during sanding or thinning, as finishes may release chemical particles. Avoid inhalation or ingestion.

- Wood Dust - <https://www.osha.gov/wood-dust>
- Sanding Safety - https://ag.purdue.edu/department/fnr/lab-sites/woodresearch/_docs/safesander.pdf
- Splinter Removal - <https://www.popularwoodworking.com/arts-mysteries/splinters-every-woodworkers-nemesis/>
- Eye Safety - <https://www.mayoclinic.org/first-aid/first-aid/basics/art-20056645>

California Proposition 65 Warning: Drilling, sawing, sanding, or machining wood products can expose you to wood dust, a substance known to the State of California to cause cancer. Use PPE and avoid inhaling dust. Learn more at www.P65Warnings.ca.gov/wood.

Metal Products

Our metal items—such as shelving, trim, feet, rails, and grilles—are made from brass, aluminum, or steel:

- **Brass** may contain fine dust or shavings and can be sharp when cut.
- **Aluminum** (sometimes anodized or coated) may release debris when worked.
- **Steel** grilles and mesh may buckle or create sharp fragments during handling or cutting.

Always use PPE and make sure you're familiar with your tools and procedures.

- Metal Cutting Safety - <https://www.metals4u.co.uk/blog/how-to-cut-metal-a-focus-on-safety>
- Powder Coating Safety - <https://www.tcipowder.com/resources/safety-compliance>

Other Materials

- **Rattan** is natural but may have surface residue—clean before use.
- **Resin** can release airborne particles when cut—use a dust mask and goggles.
- **Leather** may shed when trimmed—handle with care.
- **Glue & Tape** may contain chemicals—follow included directions and dispose of properly.

Use all products in a ventilated area and wear PPE suited to the task.

Safe Handling of Adhesives -

<https://www.adhesivesmag.com/articles/86751-safety-first-safe-handling-of-adhesives-and-sealants>

Recommended PPE (via Zoro Tools)

These are general-use items and do not guarantee safety:

- Work Gloves
- Safety Goggles
- Dust Masks / Respirators
- Aprons, Ear Protection, First Aid Kits & More

Final Reminder

Review all instructions before beginning any project, and only use tools and materials you are comfortable and familiar with. Your safety starts with preparation—use all products responsibly.
