

# CUT-TO-SIZE PROGRAM INFORMATION

## WHY ORDER CUT-TO-SIZE (CTS) PANELS?

- **Pre-Cut Panels** delivered to your exact dimensions\* for easy on-site installation.
- **Enhanced Safety & Simplified Handling:** Avoid the challenges of intricate panel work, including the sharp edges of handwoven Decorative Grilles. CTS Panels reduce the chance of injury from sharp wires and minimizes potential product damage.
- **No Scrap Management:** We handle the trimming and waste, so you don't have to.
- **Cost-Efficient:** Only pay for the materials you need, priced by the square foot.

\* Within 1/8" tolerance
