

CUSTOM MULLION PROGRAM INFORMATION

MARVELOUS MULLIONS

We're thrilled to have announced the debut of our Custom Mullion "collection" at the Kitchen & Bath Industry Show (KBIS) 2025. This collection features laser-cut Mullions made from a variety of luxurious materials including brass, carbon steel, hardwoods, and MDF, offering designers and architects unparalleled versatility for high-end custom kitchen designs.

Whether you are crafting intricate cabinet doors or architectural accents, these Mullions offer both form and function. Their scalable profiles are perfect for bespoke designs, **with the ability to customize each piece to meet specific project needs.**

MATERIALS & CUSTOMIZATION TO MEET EVERY NEED

Materials Available

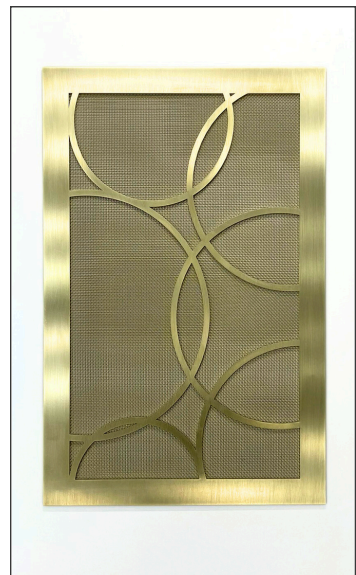

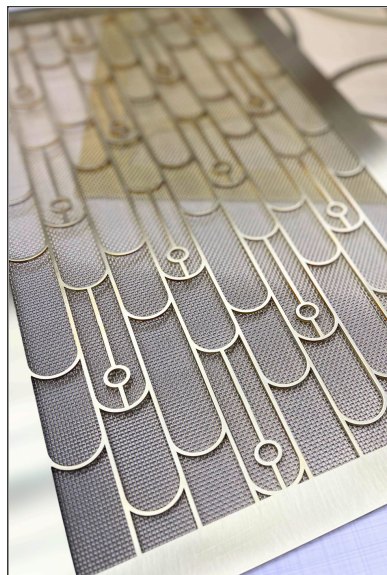

- Clear-coated brass
- Powder-coated carbon steel
- MDF with paint
- Anodized or powder-coated aluminum
- Hardwoods with or without finish.
- Custom colors available through powder-coating, electroplating, or anodizing.

Customization Required

The Mullion Collection is *entirely custom*. While we plan to offer "stock" design files, you'll need to:

- (1) Provide dimensions,
- (2) Choose a material,
- (3) Determine if you'd like mounting holes for fasteners.

Once these details are finalized, we'll scale the design to your dimensions and provide a quote for sign off.
