ALUMINUM
ACCENT TRIM

Designs of distinction®
Kitchen, Bath & Home
by BWI

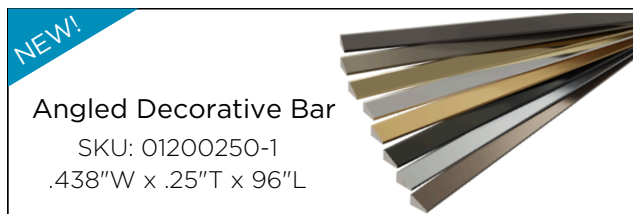

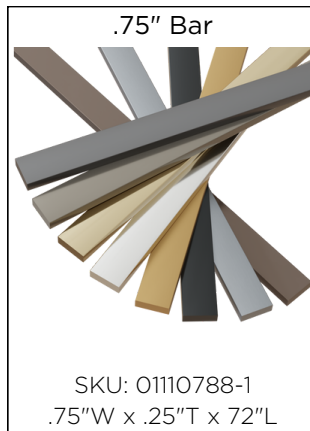

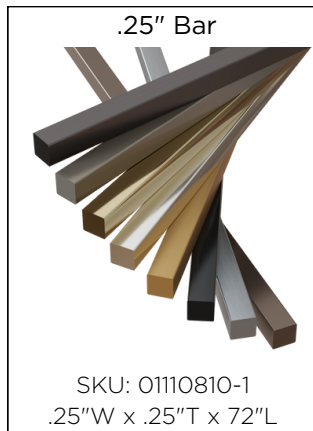

DECORATIVE BARS

Made in the USA from anodized aluminum, our Metal Trim will not chip, peel, tarnish or rust. Incorporate a pop of shine in your designs using Metal Trim on cabinetry, furniture pieces, fireplaces, vanities, and more.

Style #01110810-1 in Polished Brass

L-CHANNELS

Anodized aluminum trim is ideal for both commercial and residential applications. It provides functional protection for cabinet door and drawer edges as well as exposed wall or furniture corners. Suitable for use on any surface prone to dings, dents, and moisture damage.

Style #01110030-1 in Warm Bronze
Pebbled Leather #1652 in Walnut

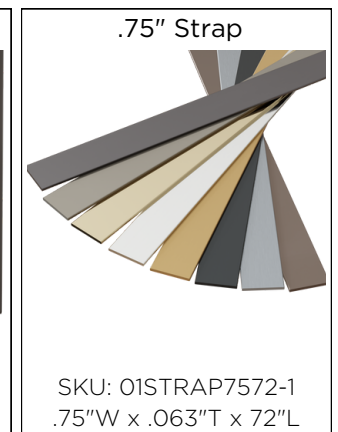

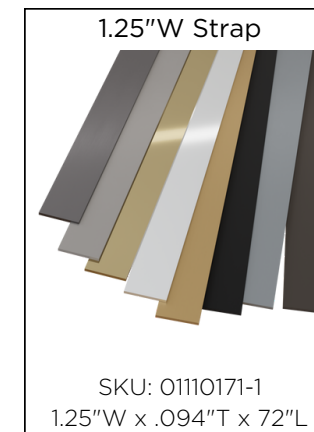

DECORATIVE STRAPS

Metal Trim offers endless opportunities for design. Shipped in 72" lengths*, anodized aluminum Metal Trim can be cut on-site to fit your specifications**. Secure all Trim to surfaces using our double-sided Ultra-High Bond (UHB) Tape (see back panel for UHB Tape specifications).

Style #01STRAP7572-1 in Satin Brass

Up to 144"L. Custom Finishes Available. 15 pc minimum.

*All profiles are 72"L with the exception of 01200250-1, which is 96"L. **Use a non-ferrous, high tooth count (of at least 96) carbide blade designed for cutting metal.
