## **New Finishes & Styles of Cut-to-Size Decorative Grilles & Mesh**

**(Chicago, IL):** Designs of Distinction® [DOD] continues to add new styles and finishes of Decorative Grilles & Mesh to their line of Cut-to-Size Materials. In early 2023, DOD introduced the Antique Copper finish, along with 2 new styles of grille – DK08 and 286S.

Finely woven by hand like a metal textile from steel wires, Decorative Grille offers an elegant alternative to glass in cabinet & furniture design.

Choose from 11 styles of USA-made Decorative Grilles in 7 finishes – Antique Brass, Antique Copper, Antique Pewter, Flat Black, Polished Satin Nickel, Satin Brass, and Stainless Look.

In addition, DOD carries 5 styles of Italian-made Mesh. All styles are available in Stainless Steel, and Chevron Style #107 is available in Stainless Steel & Satin Brass.

Order Decorative Grilles as sheets, half sheets, or Cut-to-Size based on your specifications. Decorative Grilles & Mesh panels are not welded and can be difficult to work with on-site. With DOD's Cut-to-Size program, panels are ready to install right out of the box.
