

Designs of Distinction® Expands Custom Tambour Capabilities: Made-to-Order Flexible and Rigid Panels

Chicago, IL – Designs of Distinction® [DOD], a leader in premium decorative components and materials, is pleased to announce **expanded capabilities in producing custom tambour profiles and panel sizes**, offering designers and manufacturers unmatched flexibility for their projects.

With the ability to manufacture tambour in **hardwoods or MDF**, DOD can produce panels *up to 120 inches long and 30 inches wide*, tailored to your vision and specifications. Designers, architects, woodworkers and more can choose from **flexible tambour panels or rigid beaded and reeded panels**, both of which are specialty product lines for DOD.

*“Tambour has become one of the most versatile materials in modern design, and we’re proud to **offer custom options that meet the unique needs of our customers**,”* said Nick Constantine, Contract Sales at Designs of Distinction®. *“Whether it’s a flexible panel for curved surfaces or a rigid beaded panel for cabinetry, we provide solutions that balance creativity, function, and quality.”*

Custom tambour orders are completed with a lead time of 4-6 weeks, ensuring timely delivery while maintaining the highest level of craftsmanship. **All products are made in the USA from North American materials**, reinforcing DOD’s commitment to domestic manufacturing and sustainable sourcing.
