## IWF 2024 Preview – Designs of Distinction<sup>®</sup> Adds New Metallic Accent Trim Profile

**(Chicago, IL):** Designs of Distinction announces plans to expand its line of Metallic Accent Trim with a new Angled Decorative Bar. The new profile will be introduced at IWF 2024, Booth #C2562, held at the Georgia World Congress Center in Atlanta, GA from August 6-9, 2024.

DOD's new Angled Decorative Bar will be available in 8 bright and bold finishes, matching DOD's other metallic accent components. Finishes include Brushed Aluminum, Chrome, Polished Brass, Satin Brass, Satin Stainless, Titanium, Warm Bronze, and Flat Black.

The Angled Bar, measuring .438"W x .25"T x 96"L, can be trimmed on-site and installed using DOD's double-sided ultra-high bond (UHB) tape. Resistant to heat and moisture, UHB tape makes an ideal adhesive for Metallic Accent Trim to cabinetry, furniture, and more.
