Enhance Architectural Interiors with Designs of Distinction® Hardwood Tambour Panels

(Chicago, IL): Designs of Distinction®, a trusted provider of premium decorative hardware and architectural components, is excited to highlight its collection of solid hardwood tambour panels. Specifically crafted for architects and designers, these customizable panels combine elegance and functionality, offering a versatile solution for adding texture and movement to high-end residential and commercial interiors.

With increasing demand for sustainable, versatile materials in modern architecture, Designs of Distinction® has developed tambour panels that provide both aesthetic appeal and practical solutions. Architects can use the hardwood tambour panels to introduce texture, movement, and warmth to spaces like walls, cabinetry, and custom furniture. The ability of flexible tambour to bend and curve makes it an excellent choice for creative and dynamic applications in contemporary interiors.

Crafted from the highest quality hardwoods, each tambour panel is produced with precision and care, ensuring durability and long-lasting beauty. Key features include:

- **Solid Hardwood Construction:** Made from premium, sustainable hardwoods, offering unmatched quality and durability.
- **Flexible Design Options:** Flexible Tambour Panels can fit curves and corners, allowing architects to explore innovative applications.
- **Customization:** Custom species, profiles, and sizes available upon request. Up to 120"L.
- **Made in the USA:** Produced domestically from North American Hardwoods, with a focus on sustainability and craftsmanship.

Whether enhancing a modern kitchen, accentuating a feature wall, or adding texture to commercial spaces, Designs of Distinction® hardwood tambour panels are an ideal solution for architects seeking to create bold, tactile, and visually stunning interiors.

Designs of Distinction® invites architects and designers to explore how our solid hardwood tambour panels can enhance their upcoming projects at **KBIS 2025, Booth N2363**. For more information or to request samples, please contact us at 800-328-5858 or at info@brownwoodinc.com.
