Designs of Distinction® KBIS 2024 Teaser – Brass Pot Rail Kit

(Chicago, IL): Designs of Distinction® [DOD] announces the introduction of a new product – Brass Pot Rail Kit – at KBIS 2024 (Booth #N1863), held at the Las Vegas Convention Center from February 27-29, 2024. The new Brass Pot Rail Kit will be available in 3 finishes, 3 sizes, and 3 styles.

DOD's new Brass Pot Rail Kits are the perfect match to DOD's stock and custom Brass Bistro Shelving. Pot Rail Kits will be stocked in Lacquered Polished Brass, Lacquered Satin Brass, and Flat Black.

All Pot Rail rods are 1" diameter, and will be available in 18"L, 24"L, 30"L, and 36"L. DOD provides 6 matching S-hooks to hang pots, pans, utensils, and more. Matching installation hardware and set screws to secure the rail to end posts are included with each kit. Custom widths and finishes available with a quote.

Pot Rail Kits are available in the same styles as DOD's Brass Bistro Shelving – Cantilever (pictured on the left), Flush, or Traditional. Flush kits offer a seamless design and smaller profile, while Traditional kits feature a recognizable look with ball joints.

While Brass Pot Rail Kits were designed for pots, pans, utensils, and other kitchen accessories, they can be installed all throughout the home. Use to hang towels, coffee mugs, jewelry, bar utensils, purses, and more.

Visit Booth #N1863 in the North Hall at KBIS 2024 to see an installed Pot Rail in all 3 finishes we stock.
