Now Available: Updated and Expanded Line of Sample Kits & Showroom Displays

(Chicago, IL): Designs of Distinction's [DOD] recently updated and expanded their line of Sample Kits and Showroom Displays. The newly revitalized line of Sample Kits is available for Designers, Builders, and other Trade Professionals to test and color match DOD's newest materials. The new Showroom Displays include countertop display trays as well as elegant Showroom Display Frames that allow you to choose which materials to feature in your showroom.

DOD offers Sample Kits for Metallic Accent Trim, Tambour, Decorative Grille & Mesh, Gallery Rail, and more. Each Sample Kit contains clearly labeled materials and components, ready to display or take with you to client visits.

The latest addition to DOD's Sample Kit line includes a countertop display tray with room for all of DOD's Cut-to-Size Materials. Sample Cut-to-Size Material pieces are enclosed in a sleeve that features how each material would appear in a cabinet door. A cinch bag is also included to transport sample pieces with ease.

The countertop display tray and sample sleeves can be customized to suit your business' needs with logos, branding, etc. DOD offers to design your countertop display tray, labels, brochures, and more, creating a custom sample kit program tailored to your business.

DOD offers a variety of Showroom Display Frames that resemble a piece of fine art. These Showroom Display Frames allow you to feature specific Cut-to-Size Materials, with the option to choose which materials to display.

About Designs of Distinction®: Designs of Distinction® [DOD] is a premier line of decorative wood and metal elements for kitchen, bath, and home, proudly serving other businesses since 1998. Made in America, of superior quality and first-class materials, DOD's product line has grown from 100 elements to more than 5000 components, all in stock and available for immediate shipment. If you are looking for a custom or stock wood or metal component, DOD is your one-stop shop. Call today at 800-328-5858.
