Designs of Distinction[®] Introduces New Titanium Finish for Metallic Accents

(Chicago, IL): Designs of Distinction [DOD] announced a new Titanium finish for Metallic Accents at KBIS 2024 (Booth #N1863), held at the Las Vegas Convention Center from February 27-29, 2024. With the addition of the new Titanium finish, DOD now carries Metallic Accents in 8 finishes.

DOD adds Titanium to their line of Metallic Accents due to trends revealed at Design Chicago in September 2023. Design Chicago is the “Midwest’s largest residential design conference featuring two days of education, product features and design inspiration from the kitchen, bath and home furnishings showrooms at the Merchandise Mart,” located in downtown Chicago, IL.

Kathryn Constantine, VP of Sales & Marketing at DOD, states “Titanium finishes were discussed by hardware and appliance companies alike,” noting companies like Belwith Keeler and GE Appliances will soon be adding Titanium to their product lines, if they haven’t already.

DOD adds Titanium to “continue to align ourselves with current trends” in the hardware and appliance industry, states Constantine.

DOD’s Metallic Accents will be available in 8 finishes come 2024. Finishes pictured above: A) Titanium, B) Satin Stainless, C) Polished Brass, D) Chrome, E) Satin Brass, F) Flat Black, G) Brushed Aluminum, and H) Warm Bronze.
