Trending: Bright and Bold Metallic Accent Trim

(Chicago, IL): Designs of Distinction[®] [DOD] carries a complete line of Metallic Accents, including Metallic Accent Trim. Available in 7 bright and bold finishes, Metallic Accent Trim is USA-made from anodized aluminum.

Metallic Trim began as a concept inspired by store fixtures at luxury brands like Prada and Gucci. DOD capitalized on previous experience with anodized aluminum to implement Metallic Trim that matches existing aluminum components.

DOD stocks 6 sizes of Metallic Trim – including straps, bars, and L-Channels – in 72” lengths. Easy to trim and install on-site with double-sided UHB tape, Metallic Trim brings elegance inspired by luxury brands to kitchen, bath, and home.

Anodized finishes include: Brushed Aluminum, Chrome, Polished Brass, Satin Brass, Satin Stainless, Warm Bronze, and Flat Black. Due to the anodized finish, Metallic Trim will not chip, peel, rust, or corrode.

Add a pop of shine and color to otherwise standard cabinetry, protect pull-outs from kitchen & bath messes, hide hinges and imperfections – Metallic Trim offers endless opportunities for design.
