Cantilever

If you're looking to keep things simple yet stylish, look no further than our Cantilever Bistro Shelving. Unlike framed designs, cantilever offers a less complex means of hanging shelves with easy-to-use arms. It's also ideal for adjustability.

Traditional

For a more conventional and recognizable look in your home bar or kitchen, our Traditional Bistro Shelving is a perfect finishing touch. It uses ball components at its joints to give a more industrial feel.

Flush

Looking for a more modern look? Our Contemporary Flush Bistro Shelving offers a seamless design and smaller profile. Its sleek appearance fits well in modern kitchens and bathrooms.
