

Your Guide to **Brass Rail Kits** with Designs of Distinction®

Our Brass Rail Kits are the perfect match to our Brass Bistro Shelving. Use in the Kitchen to organize pots, pans, coffee mugs, towels, utensils, and more. **Its design allows it to be installed in any room of the house, offering endless creative possibilities.** In the bathroom, it serves as a stylish towel rack. In the living room, it can elegantly display coffee mugs, bar utensils, or even jewelry. Whether organizing purses in a closet or hanging cooking tools in the kitchen, this kit proves that functionality and style can go hand in hand throughout the home.

Kits available in 18"L, 24"L, 30"L or 26"L with Polished Brass, Satin Brass and Flat Black finishes in-stock. Custom finishes and lengths available. Each Rail Kit includes 1" diameter rail, 6 matching S-hooks, and matching installation hardware.
