

CUT-TO-SIZE  
PROGRAM

## Your Guide to **Grilles with Rosettes** with Designs of Distinction®

Rosettes are welded on every other joint. Available Cut-to-Size or as whole and half sheets. Finely crafted in the USA using superior steel wire, hand crimped and hand woven. An electroplating process is used to create finishes. Custom sizes, styles, and finishes available. We offer Cut-to-Size panels based on your project's specifications for easy on-site installation. **With our Cut-to-Size program, panels are ready to install right out of the box.** To order Cut-to-Size panels, please fill out an order form.
